“Restoring the Legacy, Reconnecting the Community”

For over 205 years, Bethel African Methodist Episcopal Church of Carlisle has stood as a place of faith, hope, and courage—a sanctuary of worship and a cornerstone of African American history in Pennsylvania. Under the leadership of Rev. Emerson A. Cottrell, we now embark on a sacred mission to restore Bethel and renew its connection to the community.

Your participation in the Bethel Carlisle Capital Campaign will help ensure that this historic church remains a beacon of unity, justice, and faith for generations to come.

*“Let us rise up and build.” So they strengthened their hands for the good work.
— Nehemiah 2:18*
